

A wide-angle photograph of a large, two-story white building with a brown tiled roof, identified as the Sporting Center. The building features a series of arched windows and doorways on the ground floor. In the foreground, a large, rectangular swimming pool with blue water is visible, reflecting the sky and the building. The pool is bordered by a paved deck. To the right, there are some trees and a staircase leading to an upper level. The sky is clear and blue with a few light clouds. The overall scene is bright and sunny.
